*Additional lyrics*

3. Just as the flowers keep on blooming,  
 Just like the leaves that keep on turning (for us),  
 I feel the change of seasons flowing on and on,  
 Just like the sun, these gifts are here for everyone.
  
4. Just like the moon that keeps on shining,  
 Just like the stars that keep on twinkling,  
 I know a world of wonders playing on and on,  
 Just like the sun, these gifts are here for everyone.
