Additional verses

2. When it's pouring rain outside,
Sometimes I want to stay in and hide,
But with boots and raincoat I'm okay,
Splashing in puddles, don't get in my way.

3. When it's cold and snow is on the ground,
I can go to the hill and slide right down,
Make a snow angel or build a snowman,
Have some hot chocolate and do it again.

4. And when it's hot, I'm in sneakers and shorts,
I can play tag or build some forts,
I can walk alone or with my friends,
Making up a song that never ends.

(Chorus, then to 4th ending)
