Bathtime

The water is fine, fine, fine
The soap is mine, mine, mine
Scrub and shine, shine, shine
It's my bath time

The water is nice and warm
Makes me feel at home
Like a baby whale
It's my bath time

Bridge:
Ba b aba bubbly bubbles
Woa wao woa silky bubbles

In my tub, tub, tub
I'm gonna scrub, scrub, scrub
Every part of me
It's my bath time

Wash my toes, toes, toes
Scrub my ears and nose
Wash my body oh
It's my bath time

The Little House

There is a little house, theirs is
In a pear tree full of pearses
They're birds, you se, and they live in a tree
Where they don't need ladders or stairses

They're happy and free of careses
They never have to run from bearses
And pears are free to birds, you see
'Round the world or any other whereses

Theirs is a little house, there is
With little bird beds and chairses
Did you ever hear of any house near
As nice a little house as theirs is

There were eight piggies in a row

Bridge:

Eight piggies in a row
Eight piggies in a row
Eight piggies, eight piggies
There were eight piggies in a row

Eight piggies in a row
Could they dance? No, no
Could they sing? No, no
There were eight piggies in a row

Let's Make Some Noise

Chorus:

Let's make some noise, we girls and boys
We got a voice, so let's make some noise

Sing something high, sing something low
Sing something joyful, sing it round and round
Sing something high, sing something low
All of us singing, let's make some noise

Clap something once, clap something twice
Clap something happy, clap it right out loud
Clap something once, clap something twice
All of us clapping, let's make some noise

Shake something left, shake something right
Shaking and dancing, move it round and round
Shake something left, shake something right
All of us shaking, let's make some noise

Everything Grows

Everything grows and grows
Babies do, animals too
Everything grows
Everything grows and grows
Sisters do, brothers too
Everything grows

A blade of grass, fingers and toes
Hair on my head, a red, red rose
Everything grows, anyone knows
That's how it goes

Food on the farm, fish in the sea
Birds in the air, leaves on the tree
Everything grows, anyone knows
That's how it goes

That's how it goes under the sun
That's how it goes under the rain
Everything grows, anyone knows
That's how it goes

Mamas do and papas too
Everything grows

Ha, Ha This Way

Chorus:

Ha-ha, this-a-way, ha-ha, that-away!
Ha-ha, this-a-way, then, oh, then
Ha-ha, this-a-way, ha-ha, that-a-way
Ha-ha, this-a-way, then, oh, then

When I was a little boy, little boy, little boy
When I was a little boy, I was three
I had a little teddy bear, teddy bear, teddy bear
I had a little teddy bear just for me

We went-a-walkin', a-walkin', a-walkin'
We went-a-walkin', everyday
We did a lot a-talkin', talkin', talkin',
We did a lot a talkin' every day

We counted stars every night,
Every night, every night
We counted stars every night in the sky
And chose the one to go to, go to, go to
And chose the one to go to if we could fly

Teddy Bear Hug

If you're looking for a buddy
With a hug to share,
And everybody arounds'
Too busy to care,
Don't you fuss and worry,
Don't you run and hide under the rug,
You go and find your teddy
And give that bear a great, big, hug

Chorus:

Teddy Bear Hug when you really need it
Teddy Bear Hug very soft and furry
Teddy Bear Hug, teddy's always ready
With a bear hug just for you

There are big bears and small bears,
Short bears and tall bears,
Momma bears and papa bears too
There are brown bears and white bears,
Day bears and night bears

Little White Duck

There's a little white duck sitting in the water
Little white duck doing what he oughta
He took a bite of a lily pad
He flapped his wings and he said, "I'm glad
I'm a little white duck sitting in the water
Quack, quack, quack!"

There's a little green frog swimming in the water
Little green frog doing what he oughta
He jumped right off of the lily pad
That the little duck bit and he said, "I'm glad
I'm a little green frog swimming in the water
Gulp, gulp, gulp!"

There's a little black bug floating on the water
A little black bug doing what he oughta
He tickled the frog on the lily pad
That the little duck bit and he said, "I'm glad
That I'm a little black bug floating on the water
Quick, quick, quick!"

There's a little red snake lying in the water
A little red snake doing what he oughta
He frightened the duck and the frog so bad
And he ate the little bug and he said, "I'm glad"
That I'm a little red snake lying in the water
Bzzzt! Bzzzt! Bzzzt!"
And now there's nobody left left sitting in the water
Nobody left doing what he oughta
Nothing left but the lily pad
The duck and the frog ran away
There's nobody left sitting in the water
Boo, hoo, hoo

There's a little red snake laying in the water
A little red snake doing what he oughter
He frightened the duck and the frog so bad
He ate the little bug and he said, "I'm glad
I'm a little red snake laying in the water
Wriggle! Wriggle! Wriggle!"

There's nobody left, sitting in the water
Nobody left doing what he oughta
There's nothing left but the lily pad

The duck and the frog ran away "I'm sad
That there's nobody left sitting in the water
Boo, hoo,hoo!"

Just Me In The Sun

Just like the birds that keep on flying
Just like the wind that keeps on blowing
I see a wave of oceans rolling on and on
Just like the sun, these gifts are here
For everyone

Just like the trees that keep on giving
Just like the grass that keeps on growing
I hear the sound of children singing on and on
Just like the sun, these gifts are here
For everyone

Just as the flowers keep on blooming
Just like the leaves that keep on turning
I feel the change of seasons flowing on and on
Just like the sun, these gifts are here
For everyone

Just like the moon that keeps on shining
Just like the stars that keep on twinkling
I know a world of wonders playing on and on
Just like the sun, these gifts are here
For everyone
