*chorus*

**Every day there are good things  
Happening all around us  
Every day there's something good  
Ooo ooo  
Something good**

**The sound of birds singing  
The sound of laughter ringing  
The green, green grass  
Clouds in the sky  
The smell of just baked pumpkin pie**

**Reading a good book  
Playing with my dog  
The start of a brand new day  
Inviting a friend over to play  
Knowing that everything's ok**

*chorus*

**If I can't find something good  
I can make good things happen  
Be a helper, be a friend  
Make someone smile, lend a hand  
The more I help  
The happier I am**

# **Waiting Nicely**

Words & music by Lindsay Munroe

**My teacher talks to lots of students  
She talks to other teachers too  
I want a turn to talk to my teacher  
Sometimes waiting is hard to do**

**I can say excuse me  
And wait for her to talk to me  
I can say excuse me, then I'll wait my turn**

**Waiting in line, feel so bored  
Takes a long time, waiting in line  
While I'm waiting  
I know just what I'll do**

**I can wait quietly, with a calm body  
I'm proud of myself  
My teacher is proud of me too  
Waiting nicely is what I like to do**

**I like to slide down the slide  
I like to swing on the swings  
Sometimes I have to wait in line  
For my turn on these things**

**I can count to 10, I can count my breaths  
Every now and then  
I can ask "is it my turn yet?"  
It's good to remember  
Friends want their turn too  
Waiting nicely is what I like to do  
Waiting nicely is what I like to do**

# **I Can Ask For Help**

Words and music by Lindsay Munroe  
© 2020 Homeland Publishing

**My body feels so jumpy, I can't sit still  
My hands are flapping  
Toes are tapping  
If I can't calm myself  
I can ask for help  
"Can I have a break please?"  
I can ask for help**

*chorus*

**Everyone needs help sometimes  
People like to help  
They don't mind —  
When I ask for help**

**Sometimes loud noises  
Really hurt my ears  
When I'm in a crowd  
It's much too loud  
If I can't calm myself,  
I can ask for help  
"Can I have my headphones please?"  
I can ask for help**

*chorus*

**It's hard to stop what I'm doing  
When it's time to clean up  
Even though I'm having fun  
Now it's time to be done (but)  
If I can't calm myself, I can ask for help  
"Can I have 2 more minutes please?"  
I can ask for help**

*chorus*

**It's ok to make mistakes  
Won't let it get me down  
I won't give up, I'll try again  
Try again.**

When trying something new  
We all make mistakes  
When something's hard to do  
I won't give up, I'll try again  
Try again.**

I wrote the wrong answer  
Feeling frustrated  
But I know what to do  
Try again, keep my cool, when I'm at school  
And tell myself**

Won't let it get me down  
I won't give up, I'll try again  
Try again.**

When trying something new  
We all make mistakes  
When something's hard to do  
I won't give up, I'll try again  
Try again  
I won't give up, I'll try again  
Try again**

**Every problem has a solution  
Often more than one, more than one  
Nothing is unsolvable,

To see a new solution we're brave enough to try  
To try.. we're brave enough to try.**

# **I Can Dream**

Words & music by Lindsay Munroe  
© 2020 Homeland Publishing

**When I close my eyes  
It feels so good deep down inside  
To rest until sunrise  
And I can dream**

**I've had a busy day  
learning, working  
And in play  
But now it's time to rest  
It's what I need**

**Brain and heart are growing  
So much bigger and it's showing  
I am learning new things all the time  
To be at my best, I need a little rest  
The moon is in the sky  
I'll close my eyes**

**When I close my eyes  
It feels so good deep down inside  
To rest until sunrise  
And I can dream**
