

Lyrics For Raffi One Light One Sun

Time To Sing

It's time to sing a song or two
You with me and me with you
Time for us to sing a while, hey hey hey

It's time for us to clap our hands
In rhythm with the beat
Time for hands to clap awhile, hey hey hey

Chorus:
And it's time for saying hi and hello
Let's all sing a song that we know

It's time for us to tap our toes
Together with our feet
Time for toes to tap awhile, hey hey hey

It's time to make a sound you like...

Apples And Bananas

I like to eat, eat, eat apples and bananas
I like to eat, eat, eat apples and bananas

I like to ate, ate, ate aypuls and banaynays...
I like to eet, eet, eet, eeples and baneenees...
I like to eat ite, ite, ite, iples and baninis...
I like to ote, ote, ote, oples and banonos...
I like to ute, ute, ute uples and banunus...

Take Me Out To The Ball Game

Take me out to the ball game
Take me out with the crowd
Buy me some peanuts and crackerjack
I don't care if I never come back
With a root, root, root for the home team
If they don't win it's a shame
For it's ONE, TWO, THREE, strikes your
At the old ball game...

Octopus's Garden

I'd like to be under the sea
In an octopus's garden in the shade
He'd let us in, knows where we've been
In his octopus's garden in the shade
I'd ask my friends to come and see
And octopus's garden wit me
I'd like to be under the sea
In an octopus's garden in the shade

We could be warm, below the storm
In our little hideaway, beneath the waves
Resting our heads on the sea bed
In an octopus's garden near a cave
We could sing and dance around
Because we know we couldn't be found
I'd like to be under the sea
In an octopus's garden in the shade

Fais DoDo

Fais dodo, Colin, mon' p'tit frère
Fais dod, t'auras do lolo
Maman est en haut, qui fait du gateau
Papa est en bas, qui fait du chocolat

Go to sleep, Colin, my little brother
Go to sleep, tomorrow you'll have milk
Mama is upstairs making a cake
Papa is downstairs making chocolate

In My Garden

Digging, digging

This is how we dig the ground

In our garden, in our garden

Digging, digging

This is how we dig the ground

Early in the morning

Hoeing, hoeing

This is how we hoe the weeds...

Planting, planting

This is how we plant the seeds...

Growing, growing

This is how the peas will grow...

Picking, picking

This is how we pick the peas...

Eating, eating

This is how we eat the peas...

Riding In An Airplane

Refrain:

Riding in an airplane
High above the ground
Flying to a new place
Underneath the sun

Looking out my window
At the beauty down below
Shimmering in sunlight
I see the rivers on the go

Chocolate-covered farms
With the food the farmer grows
Waiting for a rain cloud
To come along and drop its load

Yippi-i-yo, yippi-i-yea
Flying in the sunset
At the closing of the day

The lights of the city
Start to twinkle up ahead
And pretty soon we'll touch down
Just before it's time for bed

The Bowling Song

I like to go bowling with my friend Bert
My bowling ball and my bowling shirt
I like to roll the ball down the lane

On a good day, I'll throw a few strikes
And maybe some spares, that's what I like
Bowling is my kind of game

With a boom and a bang, they hit the floor
And I throw the ball again.

I like to go bowling with my friend Bert
My bowling ball and my bowling shirt
Bowling is my kind of game

I am for the 6 pin, 7 pin, 8 pin, 9,
10 pins down the lane
I throw the ball when I reach the line
And know them down again.

Me donkey come and me donkey go...
Me donkey hee, me donkey haw
Me donkey sleep in a bed of straw...

Walk Outside

Chorus: I'm going to take a walk outside today
gonna see what I can find today
gonna to take a walk outside today
gonna see what I can find today

I'm gonna find a little green snake
And I'm gonna call the little snake Jake
He won't bite just wiggle around
Sleep under the bed where he won't make
A sound

I found a little gray squirrel
I'm going to call the squirrel Earl
He can jump from limb to limb
Don't wish that I could jump like him

I'm gonna find a little lost pup
I'm gonna pick the little pup up
I'll take him home; he'll be my pal
He'll chase sticks; I'll call him Hal

Im gonna find a little duck
I'm gonna call the little duck Chuck
He can live in the pond out back
Swim al day and go "Quack,Quack,Quack"

De Colores

De Colores,
De Colores se visten los campos
En la primavera
De Colores,
De Colores son los pajarillos
Que vienen de afuera
De Colores,
De Colores es el arco iris
Que vemos lucir
Y por eso los grandes amores
De muchos colores me gustan a mi
Canta el gallo, Canta el gallo con el quiri, quiri
Quiri, quiri, quiri
La gallina,
And the cluck hen
La gallina con el cara, cara
Cara, cara, cara
Los polluelos
Los polluelos con el pio, pio
Pio, pio, pi

Twinkle, Twinkle, Little Star

Twinkle, twinkle, little star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle, little star,
How I wonder what you are!

One Light, One Sun

One light, one sun
One sun lighting everyone.
One world turning
One world turning everyone.

One world, one home
One world home for everyone.
One dream, one song
One song heard by everyone.

One love, one heart
One heart warming everyone.
One hope, one joy
One love filling everyone.

One light, one sun
One sun lighting everyone.
One light warming everyone.
