### Raffi Radio

Chorus:

Raffi Radio, yo oh oh Raffi Radio  
Raffi Radio, ooh ooh ooh Raffi Radio

In the town and in the country-o  
Dance it up, do si so,  
With the music of an all star show  
In a bowl full of stereo

With the colours or a studio  
Paint the sky, paint the day-o  
Wing it up, or take it slow  
In a soul full of stereo

-chorus-

Counting the oples and banonos  
Shakin' sillies and tappin' toes  
Singin' song on bananaponos  
For baby beluga baby-o

Tunin' in, tuning into the universe...

## **Kitchen Sing Sing**

Bread rising, sandwich fixing  
Soup souping, fruit peeling  
Pie baking  
Gather round the table soups in the ladle  
Once again it's feeding time and we'll

Chorus:  
Sing sing (cooking in the kitchen)  
And we'll sing sing (add a little seasoning)  
Sing sing cooking us a beautiful meal- oh we'll

We'll sing sing (cooking in the kitchen)  
We'll sing sing (everybody pitching)  
And sing sing cooking us a beautiful meal.

Juice juicing, stew stewing  
Sour spinning, fruit peeling  
Pie baking  
Gather round the table soups in the ladle  
once again it's feeding time - and we'll

## **Ripples of Love**

Ripple of love, little blue pond  
Making waves, inside out  
Shimmering seed, in every heart  
Radiant light, ripple of love

Circling rings, reaching out  
Sounding waves, far and wide  
Sparkling seeds, turning round  
Ripple of love, homeward bound

Ripple of love, little blue pond  
Making waves, inside out  
Shimmering seed, in every heart  
Radiant light, ripple of love  
Radiant light, ripple of love

A seed and a ripple and a moving ring  
Tuning the heart of everything

## **Silly Panel – Time**

## **Six Little Ducks**

Six little ducks that I once knew  
Fat ones, skinny ones, fair ones too.  
But the one little duck with the feather on his back  
He led the others with his quack, quack, quack.  
Quack, quack, quack-quack, quack, quack  
He led the others with his quack, quack, quack.

## **Whatever You Choose**

I wish that everyone could be,  
Exactly who they really are.  
Nobody should have to hide,  
What they're really like inside.  
Everyone's the same but different.  
What do you have to lose?  
Just be whatever you choose,  
Whatever you choose

You don't have to hide anymore.  
Just start a new day, open a new door,  
To look and find and be,  
Whatever you want to be.  
Just be whatever you choose.  
What do you have to lose?  
Just be whatever you choose,  
Whatever you choose

## **Every Child**

Every child, every child, is a child of the universe  
Here to sing, here to sing, a song of beauty and grace  
Here to love, here to love, like a flower out in bloom  
Every girl and boy a blessing and a joy

Every child, every child, of man and woman-born  
Fed with love, fed with love, in the milk that's mother's own  
A healthy child, healthy child, as the dance of life unfolds  
Every child in the family, safe and warm

bridge:

Dreams of children free to fly  
Free of hunger, and war  
Clean flowing water and air to share  
With dolphins and elephants and whales all around

Every child, every child, dreams of peace in this world  
Wants a home, wants a home, and a gentle hand to hold  
To provide, to provide, room to grow and to belong  
In the loving village of human kindness
