

Lyrics for Raffi Rise and Shine

Rise and Shine

Rise with the blue bird
Shine like the sun
Now is time to rise and shine

Rise and shine
The world's been turning
Everyone is waking

Rise and shine
On this new day the morning
Light is breaking

Rise with the rest of us
Shine like a pearl
Rise and show your love
All around the world

Ooh, rise with the blue bird
Shine like the sun
Now is the time to rise and shine

Rise and shine
Today is calling and
This is what it saying

Rise and shine
Your friends are waking
It's time for work and playing

Rise with the rest of us
Shine like a pearl
Rise and show your love
All around the world

Ooh rise with the blue bird
Shine like the sun
Now is the time to rise and shine
Yes, now is the time to rise and shine

Thumbelina

Chorus:

Thumbelina, Thumbelina, tiny little thing
Thumbelina dance, Thumbelina sing
Thumbelina, what`s the difference
If you`re very small
When your heart is full of love
You`re nine feet tall

Though you`re no bigger than my thumb
Than my thumb, than my thumb
Sweet Thumbelina, don`t be glum
Now, now, now, ah, ah, ah, come, come, come

Chorus

Though you`re no bigger than my toe
Than my toe, than my toe
Sweet Thumbelina, keep that glow
And you`ll grow, and you`ll grow, and you`ll grow

Wheels On The Bus

The wheels on the bus go round and round
Round and round, round and round
The wheels on the bus go round and round
All around the town

The wipers on the bus go swish, swish, swish...
The driver on the bus goes "move on back" ...
The people on the bus go up and down...
The horn on the bus goes beep, beep, beep...
The baby on the bus goes "whah, whah, whah" ...
The parents on the bus go "shh, shh, shh" ...

Daniel

Daniel in the lion den...
He said. "Now is the needed time..."

You promised that you'd answer prayer...
Lord, won't you come by here"...
And then God, he sent an angel down...
And the angel locked the lion's jaw...

Five little ducks went out one day...
Over the hills and far away.

Sad mother duck went out one day...
Over the hills and far away.
Mother duck said "Quack, quack, quack, quack,
And all of the five little ducks came back.

He's Got The Whole World

He's got the whole world in His hands,

Big Beautiful Planet

Chorus:

There's a big beautiful planet in the sky
It's my home. It's where I live
You and many others live here too
The earth is our home. It's where we live

We can feel the power of the noon-day sun
A blazing ball of fire up above
Shining light and warmth enough for everyone
A gift to every nation from a star

Chorus

We can feel the spirit of the blowing wind
A mighty source of power in our lives
Offering another way to fill our needs
Nature's gift can help us carry on

Chorus

I'm In The Mood

I'm in the mood for singing
How, how bout you?
I'm in the mood for singing
How, how bout you?
I'm in the mood for singing
Singing along with you
Hey, hey what do you say
I'm in the mood for that today
Hey, hey what do you say
I'm in the mood for that.

I'm in the mood for clapping...

I'm in the mood for whistling...

I'm in the mood for stomping...

I'm in the mood for singing...

Something In My Shoe

As I was going out for a walk
I got no further than half a block
Trouble with my foot
ooh, there was something in my shoe
So I took it off and I shook it
Look it, look it, look it
You know what fell out (what fell out?)
A little wee stone (clap, clap)
So I put my shoe back on my feet
And I kept on walking down the street

Well, as I was going to the store
One step, two step, three step, four
Trouble with my foot
Ooh, there was something in my shoe
So I took it off and I shook it
Look it, look it, look it
You know what fell out (what fell out?)
A bouncing ball (boing, boing)
And a little wee stone (clap, clap)
So I put my shoe back on my feet
And I kept on walking down the street

Well, as I was driving in my car
I couldn't drive very far
I had trouble with my foot
Ooh, there was something in my shoe
So I took it off and shook it
Look it, look it, look it
You know what fell out (what fell out?)
A flying bird (tweet, tweet)
A bouncing ball (boing, boing)
And a little wee stone (clap, clap)
So I put my shoe back on my feet
And I kept driving down the street

Well, I went home and stood
On the kitchen floor
I didn't think I'd have any more
Trouble with my foot
Ooh, there was something in my shoe
So I took it off and I shook it
Look it, look it, look it
You know what fell out (what fell out?)

A locomotive (toot, toot)
A flying bird (tweet, tweet)
A bouncing ball (boing, boing)
And a little wee stone (clap, clap)
So I went to my room in bare feet
Climbed into bed and went to sleep

Ducks like rain! Ducks like rain!
Ducks like splishing splashing in the rain.
Ducks like rain! Ducks like rain!
Ducks like the rainy weather,
Water running off their feathers,
Ducks like splishing splashing in the rain.

Ducks like rain! Ducks like rain!
Ducks like to widdle waddle in the rain.
Ducks like rain! Ducks like rain!
Ducks like to widdle waddle,
Water knee-deep in the puddle,
Ducks like to widdle waddle in the rain.

This Little Light Of Mine

This little light of mine,
I'm gonna let it shine.
This little light of mine,
I'm gonna let it shine.
This little light of mine,
I'm gonna let it shine.
Let it shine, let it shine,
let it shine.

I'm gonna take this light around the world
and I'm gonna let it shine (3X)
let it shine, let it shine, let it shine, let it shine.
