Love is here, love is there, love is everywhere

Your love, my love, our love

Love is here, love is there, love is everywhere

Your love, my love, our love

Your heart, boom boom boom

My heart, boom boom too

Your heart boom boom boom

Beating oh so true

Love is in the air we breathe

Love is the care we give

Love is in the way we feel

Shining in our hearts

Love is here, love is there, love is everywhere

Your love, my love, our love

Love is here, love is there, love is everywhere

Your love, my love, our love

Your love, my love, our love

Love is everywhere, love is all around

Love is everywhere!

No One Like You

Words & Music by Raffi

There's no one like you, no one like you
With your fingers and toes, your eyes and your nose
The look on your face, the sound of your voice
There's nobody quite like you.

Sing the song you were born to sing
Move your feet to the rhythm and sing
Hug the sky with your imagining
Dance the day with your dreams

There's no one like you, no one like you
With your fingers and toes, your eyes and your nose
The look on your face, the sound of your voice
There's nobody quite like you.

Paint a picture that your heart can see
In the sparkle of the sky and the sea
Play and move with the love you feel
Play and move with your heart

There's no one like you, no one like you
With your fingers and toes, your eyes and your nose
The look on your face, the sound of your voice
There's nobody quite like you,
Nobody quite like you.

Molly Maple

Words and music by Raffi

Long before I came into this world
A mighty tree on an island stood
Giant roots buried in the ground
A mossy maple, on this land was found

Once a seed, planted long ago
From a seedling, branches she did grow
In time she grew upright and tall
She stood the seasons, she did not fall

Molly maple, I love your beauty strong
Mossy maple, here where you belong
Your maple leaves, dancing in the sun
Molly maple, dance for me.

Autumn gold in her leaves, turns bronze and brown,
Falls to the ground
Her autumn leaves say goodbye, branches winter bare,
Till springtime comes

Long before I came into this world
A mighty tree on an island stood
Giant roots buried in the ground
A mossy maple, on this land was found

Molly maple, I love your beauty strong
Mossy maple, here where you belong
Your maple leaves, dancing in the sun
Molly maple, dance for me.

Wakey Wakey

Wake wakey wakey, waking up your heart and mind
Wake wakey wakey, waking up your heart and mind
On this wake wakey morning, we gonna rise and shine

Shake shakey shakey, shaking loose your body one time
Shake shakey shakey, shaking loose your body one time
On this wake wakey morning, we be moving so fine

Wake wakey wakey, waking up your heart and mind
Wake wakey wakey, dancing with the rhythm in time
On this wake wakey morning, dancing the day so fine
On this wake wakey morning, we gonna rise and shine

Saying I Love You

Words & music by Raffi

I love you, I love you, je t'aime je t'aime
Kez guh seerem, I love you I do
Te quiero, te quiero, I love you I do
We love saying I love you

When we feel love, wherever we live,
The joy that we feel, the hugs and the smiles
Light up the day, lighting our way
Until we say it again

On bright sunny days, or when it rains
The light in our hearts, is still shining bright
Thinking of people we love to be near
So we can say it again

The Power Of Love

Words & music by Raffi

The power of love, the power of song
And knowing we belong
The feeling of hope, the feeling of joy
And kindness on and on

A feeling of love in all its grace
The beauty of joy in every face
Together in knowing we belong
In the power of love

Just like the trees out in the woods
And like the birds that fly above
We grow in family and we thrive
In the power of love

The power of love, the power of song
And knowing we belong
The feeling of hope, the feeling of joy
And kindness on and on

A feeling of love in all its grace
The beauty of joy in every face
Together in knowing we belong
In the power of love

We Can Sing

Words & music by Raffi

© 2026 Homeland Publishing

We can sing (we can sing), on our own we can sing,
We can sing (we can sing), sing together in joy,
Croon with the songbirds singing in the trees
Show our love when we sing

In the morning or the afternoon
By the ocean or a calm lagoon
With the rustling sound of leaves
And the whispering tune of a breeze
Wherever we are we can sing

We can sing (we can sing), in the summer and in spring
We can sing (we can sing), through the winter and in fall
Sing through the seasons, sing through them all
The whole year round we can sing

One Sock Two

Words & music by Raffi

One sock, two, where's my shoe
One sock, two sock, where's my shoe
Dogs don't need 'em, people do
One sock, where's my shoe?

A pair of socks, that means two
Cats don't need 'em, people do
One sock, two socks for my feet
People socks, such a treat

One sock, two, where's my shoe
One sock, two sock, where's my shoe
Dogs don't need 'em, people do
One sock, where's my shoe?

Rainy Day Fun

Words & music by Raffi

© 2026 Homeland Publishing

Rainy day, rainy day
Little tiny raindrops all around
Rainy day, rainy day fun
Got me a rainy day smile

Got my raincoat on, got my rain hat on
Rain boots ready for a puddle splash
Got my raincoat on, got my rain hat on
Rain boots ready for a puddle jump!

Rainy day, rainy day
Little tiny raindrops all around
Rainy day, rainy day fun
Got me a rainy day smile
I'm wearing a rainy day smile

Over in the meadow in a pond in the sun
Lived an old mother duck and her little duck one

Over in the meadow in a stream so blue
Lived an old mother fish and her little fish two
__ said the mother, __ said the two
And they swam and were happy in the stream so
Over in the meadow in a nest in the tree Lived
an old mother bird and her birdies three
__ said the mother, __ said the three
And they sang and were happy in their nest in the
tree

Over in the meadow in a rock by the shore
Lived an old mother frog and her little frogs four
__ said the mother, __ said the four
and they croaked and were happy on the rock by
the shore
Over in the meadow in a big beehive
Lived an old mother bee and her little bees five
__ said the mother, __ said the five

Over in the meadow in the noon---day sun There
was a pretty mother and her baby one "Listen",

I Wonder If I'm Growing

Words & music by Raffi

©1976 Homeland Publishing

I wonder if I'm growing
I wonder if I'm growing
My mum says yes, I'm growing
But it's hard for me to see

My mom says eat your sandwich
It will make you grow up tall
But when I eat my sandwich
I'm hardly bigger at all
And I wonder if I'm growing
I wonder if I'm growing
My mom says yes, I'm growing
But it's hard for me to see

My mom says wash your hands now
Then you can go and play
Hey! I can reach the tap now
For the very first time today

And I think I must be growing
Oh, I know I'm really growing
My mom says yes, I'm growing
And now I know it's true.

To The Moon And Back

Words & music by Raffi

© 2026 Homeland Publishing

To the moon and back, on the Artemis 2
Just the four of us, with the Earth in view
In the black of space, on a moonlit flight
So far away, on a sunlit night

Moon joy, the thrill of adventure
Moon joy, a voyage of wonder
Moon joy, the marvel and mystery
And so much to come

In the vastness of space, Mother Earth in her blue and white
Blue and white
In the darkness of space, our gleaming home in blue and white
Blue and white

Earth beauty fills our hearts with love
Home sweet home
Earth beauty moves our hearts to love
Home sweet home
Earth beauty moves our hearts to love
Home sweet home
Earth beauty... home!
